INTRODUCTION

OUR VISION & MISSION

We aspire for all Council staff and the community to refer to Hepburn Shire Council as 'Our Council'.

OUR VALUES

At the commencement of the Council term, Councillors and the Executive team participated in a strategic planning workshop in order to develop a renewed vision for the organisation that would drive the development of the Council Plan and assist in fulfilling Council's obligations and the expectations of the community.

Council has set a vision that in many respects is simple however, will require a significant effort from the entire organisation as we seek to provide excellent service delivery for our community. We aspire for all Council staff and the community to refer to Hepburn Shire Council as 'Our Council'. This simple statement intimates a future state where a strong sense of pride in our organisation exists based on the excellent work we do for our community.

OUR MISSION

Hepburn Shire Council will maintain, promote, protect and enhance the district's unique social, cultural, environmental and heritage characteristics. This will be achieved through effective, caring management and responsible governance. We will strive to gain maximum advantage for our community by protecting and enhancing our natural and built environment.

HIGHLIGHTS OF THE YEAR

HIGHLIGHTS OF THE YEAR

QUALITY COMMUNITY INFRASTRUCTURE

Trentham Integrated Childcare Facility Project

Council facilitated the Trentham Childcare Needs Analysis in 2015. The findings indicated that there was a real need for additional childcare and after school care or Trentham would lose families to neighbouring towns. This focused Council's efforts into attracting funding for this much needed project.

In October 2018, Member for Macedon, Mary-Anne Thomas, announced that Trentham Kindergarten would receive \$305,000 for facility upgrades to improve the quality of the learning environment and provide access for all abilities for three and four-year-old kindergarten.

Along with the Council's \$276,000, this is an investment of over \$580,000 in early years services for Trentham. The project will provide additional long day care places integrated with kindergarten and address future demand for

kindergarten and other early childhood services, particularly childcare in the Trentham area.

The Trentham Integrated Childcare Facility project is well underway. Architect drawings have been received and reviewed with tender procurement documents being finalised to engage a building firm to complete the extension to the refurbished kindergarten. This will create increased capacity for 3 year-old kindergarten and a 22 place childcare facility.

It is anticipated that the new facility will be open mid-2020.

The project will provide additional long day care places integrated with kindergarten and address future demand for kindergarten and other early childhood services, particularly childcare in the Trentham area.

HIGHLIGHTS OF THE YEAR

ACTIVE & ENGAGED COMMUNITIES

Hepburn Shire Active Women and Girls Strategy

The Hepburn Shire Active Women and Girls Strategy was adopted at the Council meeting held on 21 May 2019.

The strategy builds on the great work that Council has already been doing at our recreation facilities. The Hepburn Shire Active Women and Girls Strategy aims to promote a healthy lifestyle, reduce social isolation, and increase female participation in structured and unstructured physical activity.

Council will be approaching the issue of female participation by looking at people, places and assets. This approach will inform Council's future strategic planning, development and delivery of

recreation infrastructure services to support physical activity for females of all demographics. It will also guide Council in the development of specific policies and actions to address the key priorities identified within the strategy.

The strategy has three pillars:

1. Increased Participation and Programming
2. Investment in Spaces and Places
3. Leading Cultural Change.

The first step Council will take in the implementation of this strategy will be to form the Active Women and Girls Alliance, which will consist of key organisations and groups who have a role to play to increase female participation within the Shire. This Alliance will work towards the achievement of the strategies key actions to increase female participation rates over the 10-year period.

The Strategy was launched in Trentham on 1 August 2019 at an event that commenced with a Qi Gong session.

HIGHLIGHTS OF THE YEAR

SUSTAINABLE ENVIRONMENT

Waste to Energy Project

Council was successful in obtaining a grant from the Department of Environment, Land, Water and Planning (DELWP) to assist with the implementation of an anaerobic digester. This is a process where organic waste is broken down to produce biogas (a fuel), digestate (fertiliser) and water.

This technology has the potential to significantly reduce landfill gas emissions and the volume of waste sent to landfill, while allowing the outputs from the process to be used as high grade fertiliser. It faces a number of technical and regulatory challenges, which Council will be addressing with the assistance of consultants.

The pilot project is occurring in parallel with a number of composting, worm farm and community education projects around organic waste. The pilot will continue for the remainder of 2019, after which Council will decide how best to proceed.

This technology has the potential to significantly reduce landfill gas emissions and the volume of waste sent to landfill, while allowing the outputs from the process to be used as high grade fertiliser.

HIGHLIGHTS OF THE YEAR

VIBRANT ECONOMY

Creswick Trails Project

The Creswick Trails project will deliver 100km of purpose-built mountain bike trail, originating from the recently completed Hammon Park Trailhead, pump track and car park. The finished trail network will be one of the Shire's biggest recreation assets, attracting more visitors to the region, boosting tourism and the local economy.

The finished network will feature a variety of trail types and ride zones, including a series of accessible trails designed and constructed specifically for riders who have limitations riding a standard, up-right, leg powered mountain bike. These adaptive trails will be the first of their kind in Victoria.

The project is funded through a partnership between Regional Development Victoria (RDV) (\$2.56 million) and Council (\$1.5M).

The resulting network will be maintained by Council in partnership with land managers Parks Victoria, the Department of Land Water & Planning, Central Highlands Water and Hancock Victoria Plantations.

Officers are currently working with expert environmental, heritage and trail design consultants to complete the Trail Development Plan (TDP). The TDP forms the 'blueprint' for trail construction and will be finalised through a formal process of community consultation.

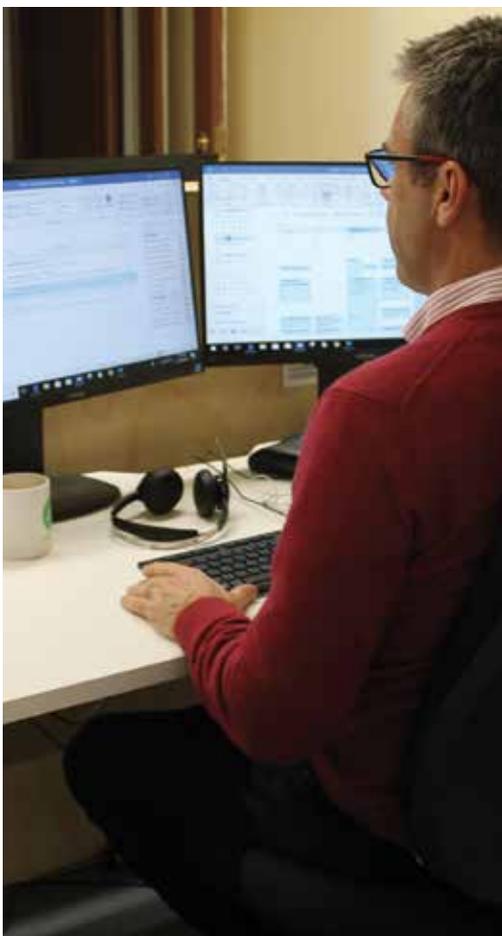

HIGHLIGHTS OF THE YEAR

HIGH PERFORMING ORGANISATION

Information Management and Technology Tools

Over the past year, Council has been implementing important changes to our information management and technology tools to improve efficiency.

CONTENT MANAGER 9.0

Council has upgraded to the latest version of the governance-based enterprise content management system, being Content Manager 9.3. Developed with more than 30 years of information management expertise, Content Manager 9.3 is a comprehensive, out-of-the-box software solution and a key component allow better Information Management and Governance. Content Manager provides Council with a new records management culture improving the user experience of the system.

WINDOWS 10

Council is currently in the process of upgrading the operating system of all user devices to Windows 10. This will allow for an improved user experience along with a more secure and manageable environment. Windows 10 also allows for the introduction of 'touch' screen technology to improve the mobility experience. It also caters for a better cloud experience interacting with many other Microsoft cloud applications in a more transparent environment.

OFFICE 365

Council is currently introducing Office 365, providing advantages such as scalability and ability to work flexibly from any device in any location with an internet connection. The introduction of other application technologies that are licensed with this will allow better calibration through screen sharing, voice communication and video conferencing. This will reduce the capital spend of Council over the long term and reduce energy costs associated with running on-premise equipment.

VIRTUAL DESKTOP INFRASTRUCTURE (VDI)

VDI is a virtualisation technology that hosts all users' desktop operating system on a centralised server in a data centre. This technology not only provides major security benefits, but also provides many other benefits to the user and Council. Data is better protected when stored on the server rather than on individual devices, so users no longer save files to any portable devices. One of the most significant benefits of VDI is that users can access their workstations from all types of devices, from smartphones and iPads to laptops and desktops out of the office. VDI also reduces power consumption, given the Thin Client terminals consume only 10% of the power of a standard computer.

THE YEAR IN REVIEW

MESSAGE FROM THE MAYOR

I acknowledge the hard work of Council and its staff throughout the year in its service to ratepayers, residents and visitors of Hepburn Shire.

On behalf of my fellow Councillors I am very pleased to present the Hepburn Shire Council Annual Report for 2018/19. I have been a Councillor for more than 10 years and have had the privilege of holding the position of Mayor for most of this financial year.

Throughout my time as Councillor and Mayor in 2018/19, I have met with many residents and stakeholders to discuss the issues that face our Shire. Councils are the closest level of government to the community, providing important services like roads, footpaths, parks and open spaces and services for young people, seniors and those with a disability.

The Annual Report highlights the important work that we do to support our residents, businesses and visitors, and our performance over the past year.

I acknowledge the hard work of Council and its staff throughout the year in its service to ratepayers, residents and visitors of Hepburn Shire.

THE YEAR IN REVIEW

MESSAGE FROM THE CEO

My focus over the coming year will be to continue on a path of improved transparency and governance.

I am pleased to present Council's Annual Report 2018/19. The Annual Report provides a detailed insight into Council's operations and illustrates how it is performing against the Council Plan, Budget and Local Government indicators.

As an organisation we have been working hard over the past year to deliver on our commitments. We deliver not only the core services that are expected from local government, but we also play a key role in providing services to support our community, our economy and cultural development.

I understand the need for our residents and ratepayers to have confidence in Our Council to responsibly manage our finances, while ensuring we are providing those services the

community needs and wants. My focus over the coming year will be to continue on a path of improved transparency and governance.

I would like to thank our Councillors who work hard to represent their communities. I look forward to leading the organisation over the coming year and providing future reports on performance.

OUR PEOPLE

CEO KEY PERFORMANCE PLAN 2018 – 2019

The CEO Performance Plan is divided into two components:

1. Regular Quarterly Performance Indicator presentations to Councillors on key aspects of the organisation, and
2. A Year-end performance review based on specific key qualitative and quantitative indicators

Quarterly Performance Indicators enable Council and the CEO to determine a flexible running program of key organisational, development and capability indicators.

2018 – 2019 Indicators

With the transition to a new CEO mid-Q1 it is expected that much of the review period will involve broad organisational review and development programs.

Accordingly, a draft framework of quarterly performance indicators has been developed covering key aspects driving performance of the organisation – refer schematic.

Being a draft framework recognises that a new CEO will join the organisation mid-Q1 and provides flexibility to review the framework.

CEO AWARDS

CEO Awards acknowledge staff who demonstrate an action or behaviour that strongly represents at least one of our organisational values.

Conducted on a quarterly basis, staff members are nominated by their peers for demonstrating the values of Accountability, Respect, Excellence, Trust or Fun. In 2018/19, the organisation recognised seven (7) staff members who when carrying out their day-to-day duties were recognised by exhibiting the organisation's values. The recipients received a CEO Award framed certificate and a gift voucher.

OUR PEOPLE

OCCUPATIONAL HEALTH & SAFETY

Council is committed to maintaining a safe and healthy workplace for all employees, contractors, volunteers, visitors and Councillors, and recognises that it is an integral part of our organisation.

This commitment is documented in the Occupational Health & Safety policy, which can be found displayed on noticeboards in our workplaces and on our website.

Hepburn Shire Council is a member of the Municipal Association of Victoria (MAV) WorkCare self-insurance scheme which covers 31 Victorian councils. The Scheme's workers compensation and return to work programs are administered by Jardine Lloyd Thompson Pty Ltd (JLT).

All MAV WorkCare Council scheme members are working through a coordinated three-year occupational health & safety improvement plan, with significant focus on strengthening the organisation's safety management system and practical safety applications at the workplace.

Over this year Hepburn Shire Council has focused on updating OHS policies, encouraged the reporting of safety incidents, near misses and hazards and the improvement of risk assessments before commencing work tasks. More recently work has commenced on improving the safety induction of contractors and managing their safety whilst working on behalf of Council. MAV WorkCare has advised Council that they will continue to assess our progress against the National Assessment Tool (NAT) as we undertake to manage continuous improvement in the area of OHS.

Reported Incidents

In the year 1 July 2018 to 30 June 2019 there was a total of 42 health and safety incidents reported, of which seven (7) were classified 'near misses' that did not result in injuries. This is an increase in overall reporting from 37 reported incidents in 2018. The increase is largely due to our encouragement of employees, in the spirit of transparency, to report rather than hide their concerns. Incidents and near misses are investigated and responded to promptly in order to improve safe work methods and reduce risk.

This year has seen an increase in 'psychological injuries' with 12 incidents reported. These injuries, unfortunately, are common in organisations which have direct contact with the community. Many of these reports have come from areas of Council such as Customer Experience, Libraries and Community Safety.

Council has continued to encourage staff to report safety incidents and hazards; supporting a 'blame-free' approach to ensure all employees feel comfortable to speak up about safety issues. The increase in reporting reflects this new approach.

2010/11	2011/12	2012/13	2013/14	2014/15	2015/16	2016/17	2017/18	2018/19
39	40	57	32	32	23	55	37	42

Workcover Premium & Claims Costs

Our Workcover premiums are calculated over the previous three (3) years' claims, so although in the 2018/19 our claims have been minor, and all impacted employees have returned to work, the MAV Workcare premium has continued to rise. The premium costs are a flow-on from previous years and still reflect the payments to employees who have been unable to return to work.

Our focus will continue to be on the prevention of injuries and early intervention with the aim to aid return to work capability and minimise claim costs. Wherever possible, we continue to be active with our sustainable Return to Work Program, and we continue to provide reduced work hours as required and activities to assist employees to return to work and make a full recovery.

Under the new self-insurance scheme, we are working closely with our insurers, JLT, to reduce the number of workplace injuries and to manage employee health outcomes.

Staff Wellbeing

There have been several employee healthy living and health monitoring activities during 2018/19.

Once again, we have a good response to the offer of flu vaccinations with acceptances increasing by seven (7) from last year. Clinics are held on-site at the Townhall for the office employees and at Creswick and Daylesford Depots for outdoor and Community Care employees.

Council staff also participated in skin cancer prevention checks, Steptember and Active April (Seated Yoga & Lake Walks) which are State Government programs designed to encourage movement. Staff added 440 hours of movement to their month during Active April and covered over seven (7) million extra steps during the month of September in the Steptember program.

Council continues to provide weekly deliveries of fresh fruit at all locations.

OUR PEOPLE

EMPLOYMENT AT HEPBURN SHIRE COUNCIL

Attraction & Retention

Recruitment during 2018/19 resulted in positions being filled as they became vacant. We advertised 39 positions during the year, including positions for limited tenure and casual appointments, which attracted 1098 applications. Our permanent employee turnover rate (resignations) for 2018/19 was 9.05%, which is lower than the previous year of 12.84%.

February 2019 saw the finalisation of the realignment of the organisational structure at the management level. Over a four-month period, the Leadership Team, under the guidance of Evan King, CEO, reviewed the organisational structure as it pertained to the Manager and Coordinator levels. The main goal was to improve the leadership of Councils delivery of services and activities and to review job responsibilities and change job titles in some areas to better reflect the duties of these positions. Once the structure had been defined, the information was provided and explained to all staff to facilitate an open consultation process. All employees had the opportunity to provide their points of view and feedback was given to all contributors.

The following changes were agreed and implemented:

- An Executive Team comprising of the CEO, two Directors, the Manager Governance, Risk and Compliance and the Manager People and Culture.
- Three new management positions, specifically in the areas of Major Projects, Environment & Waste and Information, Communications, Technology (ICT).
- Six (6) new job titles for existing roles; Director Community and Corporate Services, Director Infrastructure & Development Services, Manager Governance, Risk and Compliance, Manager People and Culture, Manager Financial Services, Manager Planning and Regulatory Services and Manager Community Care.
- The creation of a new position of Coordinator Economic Development reporting to a newly appointed Manager Community and Economic Development.

A significant amount of recruitment has been implemented to compliment this new structure with three (3) new managers recruited and a number of new managers appointed to replace previous incumbents. This new structure has created a much better alignment of our services to the community and has revitalised the management team.

Learning & Professional Development

Council offers study assistance for staff undertaking relevant undergraduate or postgraduate studies and provides ongoing work-related training sessions. The corporate learning program supports a broad range of staff development needs. This development is aligned with strategic priorities, as well as in response to needs identified through the Performance Excellence Program (PEP) discussions and in support of the Occupational Health and Safety initiatives.

Corporate training delivered this year:

- Manual Handling
- Hearing Awareness
- Duty of Care
- First Aid
- Mental Health First Aid
- CPR
- Content Manager (Electronic Document Management System)
- Act@Work – Prevention of Violence Against Women
- Disability Awareness

Professional Development opportunities delivered:

- Community Engagement
- Emergency Management

Occupational Health and Safety Training:

- Contractor Management
- Fire Warden & Extinguisher Training
- Traffic Management
- Prevention of Falls
- Chemical & Hazardous Substance Handling & Awareness
- Emergency Management and Evacuation
- OHS Responsibility and Accountability for Managers
- Identifying Hazards, Assessing and Controlling Risk in the Workplace
- OHS Representative Training
- Envenomation Information
- Asbestos Awareness
- Workplace Spotting for Service Assets

Learning Hub (online learning)

Council introduced a new online learning centre called Hepburn Shire Council Learning Hub. It utilises storytelling techniques and video links to demonstrate information aimed at adult learning.

The Learning Hub provides staff with the opportunity to undertake a selection of online courses to meet Council's compliance training requirements. This online learning has supported the education of employees in the introduction of Council's upgraded Respectful Behaviours Policy, Code of Conduct and Acceptable Use (ICT) Policy. The Learning Hub is actively used in the orientation of new employees. It provides a flexible approach to learning in that employees can opt to read the details on the screen or alternatively listen to the narrative for each learning section. At the end of each section, participants are asked to complete some key questions that assess their knowledge and understanding of this new information. The uptake of the learning and the positive feedback received will ensure we continue with this type of self-paced learning across the organisation.

Induction Program

Our induction program for all new employees has continued to provide an overview of our service areas and key responsibilities.

New employees have a site-specific induction and orientation and within their first three months join a group of other new starters in a comprehensive induction program, provided by each department Coordinator. This program offers an understanding of Council's Corporate policies, procedures, business processes and the services offered by all departments. The orientation also includes some training of our corporate systems. The new employees also meet the CEO and other members of the Executive Team.

Performance Excellence Program (PEP Talks)

The annual staff performance appraisal and development program called the Performance Excellence Program (PEP Talk) continued this year.

This program is a point-in-time review during November/December each year, with a mid-year review undertaken in May/June. This focus provides a direct line of sight between the employee's individual performance and development plan, and their team's Business Plan and Council Plan objectives.

The PEP Talk program concentrates on achievements, challenges, opportunities and behaviours. The aim is to facilitate a conversation between supervisors and employees to gain meaningful information that can improve performance and workplace behaviours and to identify training needs.

In most areas of the organisation, the PEP process is conducted with online forms which complement the performance conversation between an employee and their supervisor. There is still room for improvement in our PEP processes, and during this financial year a number of new systems have been evaluated.

Equal Opportunity Employment

Council is committed to Equal Opportunity and diversity in its workplace and providing a workplace for staff that is free of all forms of discrimination, bullying and harassment. Our aim is to promote fairness and equity in our organisation where the rights of individuals are upheld, and staff are treated with respect, fairness, equity and dignity.

The Equal Opportunity program includes a regular review of its policies. The Respectful Behaviours Policy and the Employee Code of Conduct were reviewed and adopted in 2019 and staff training provided through the Hepburn Shire Council Learning Hub.

Flexible Work Arrangements

Council is committed to providing flexible working arrangements that support employees to balance work and personal commitments.

A number of arrangements are available to staff including:

- Job sharing
- Part time hours
- Purchased leave
- Working from home
- Paid parental and adoption leave
- Individual flexible working arrangements
- Flexible Return to Work options from extended leave
- Rostered Days Off
- Blood Donor leave

PLANNING & ACCOUNTABILITY

The diagram below depicts the **planning and accountability framework that applies to local government in Victoria.**

The timing of each component of the planning framework is critical to the successful achievement of the planned outcomes. The Council Plan, including the Strategic Resource Plan, is required to be completed by 30 June following a general election.

PERFORMANCE

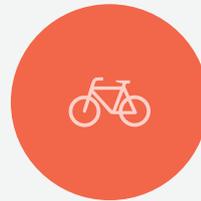

COUNCIL PLAN

The Council Plan 2017/21 includes strategic objectives, strategies for achieving these over the four-year period, strategic indicators for monitoring achievement of the strategic objectives and a strategic resource plan.

The following are the five strategic objectives as detailed in the Council Plan:

*Quality
Community
Infrastructure*

*Active &
Engaged
Community*

*Sustainable
Environment*

*Vibrant
Economy*

*High
Performing
Organisation*

Council's performance for the 2018/19 year has been reported against each key strategic objective to demonstrate how we performed against the Council Plan 2017/21.

PERFORMANCE

QUALITY COMMUNITY INFRASTRUCTURE

1. Responsibly manage our assets portfolio including roads and transport infrastructure, buildings, recreation and sporting facilities and public toilets by inspecting and monitoring maintenance and renewal needs. This is achieved through planning for and implementing asset renewal and upgrade programs or new facilities that meet community expectations such as hubs, streetscapes, roads and building assets.

Number	Action	Result
1.1	Continue to invest in our assets at a level greater than depreciation by delivering the annual asset renewal capital works programs.	In progress and on-going. In 2018/19 the ratio was 95%.
1.2	Implement a program of road safety and amenity improvements, including sealing and widening roads, on priority Council managed roads and advocate to VicRoads for improvements on arterial roads.	In progress and on-going. In 2018/19, \$3.27 million was spent on capital works for roads. Council continues to advocate to Regional Roads (formally VicRoads) and was successful in receiving \$500,000 in Round 1 and \$1.497 million in Round 2 of Fixing Country Roads funding in 2018/19.
1.3	Implement a roadside drainage maintenance and upgrade program to improve quality of roads, reduce future maintenance costs and improve efficiency of roadside drainage to minimise risk of flooding.	In progress and on-going. Capital works of drainage assets of \$287,000 and maintenance works of \$570,000 occurred in 2018/19.
1.4	Continue to implement streetscape works in Creswick, Clunes, Trentham, Hepburn Springs, Glenlyon and Daylesford in line with adopted strategies and protect their historic significance.	In progress and on-going. \$210,000 was incurred in 2018/19 for streetscape works in Hepburn. \$226,000 has been allocated in the budget and preliminary design works have been undertaken for Trentham. Minor works at other locations were undertaken.
1.5	Implement a Building Management Plan to improve access, maintenance and renewal planning for our buildings and structures.	In progress and on-going. A building condition assessment has been completed to better inform maintenance and renewal programs. The Asset Management Plan will be rewritten (along with a number of other asset management Plans) in 2020 following the review of our Asset Management Policy and Strategy.

Number	Action	Result
1.6	Invest in the renewal, restoration and activation of our Town Halls and Civic Buildings throughout the Shire.	In progress and on-going. A significant budget allocation has been made for Daylesford and other funding includes works at the Creswick Town Hall and Trentham Hub.
1.7	Complete a program of Essential Safety Measure (ESM) improvements in council buildings to ensure compliance with the Building Regulations.	In progress and on-going. ESM works continue to be undertaken, funded in part by a \$30,000 allocation in 2018/19.
1.8	Implement the Hepburn Hub at The Rex and Daylesford Town Hall to deliver improved community spaces including theatre, swimming pool, library, meeting rooms and council services.	In progress. We are currently finalising plans with the architect. Once the plans are finalised we will resume works, including construction and fit out.
1.9	Design and build the Trentham Community Hub incorporating enhanced library, meeting rooms, seniors and visitor information services.	In progress. The Project Plan for the Trentham Community Hub has been drafted, along with the Terms of Reference and Expression of Interest form for the Project Advisory Group. These will be the subject of a Councillor briefing in September 2019.
1.10	Upgrade and renew public toilets to achieve consistent quality Shire wide and improve the level of servicing across the Shire that matches demand.	In progress. Project has been delayed, however, funding remains committed. Officers are currently reviewing all toilet facility upgrades throughout the Shire with the aim of generating a holistic approach for delivery. Designs require finalisation, in consultation with relevant stakeholders.
1.11	Implement priority actions from current and newly developed Recreation Facility Master Plans.	In progress and on-going. Various works have been undertaken throughout the year, including new Female Friendly Netball Changerooms at both the Hepburn and Trentham Recreation Reserves.
1.12	Deliver walking and cycling priority projects, including asset renewal works and expansion of footpaths and multi-use trails.	In progress and on-going. \$185,000 was spent during the financial year on walking and cycling priority projects, including planning works for the Coomoora to Daylesford trail to begin in 2019/20.

2. Provide great community Parks and Open Spaces by greening our streets, managing tree safety and improving our town entrances, sporting ovals, botanic gardens and passive recreation spaces.

Number	Action	Result
2.1	Develop a program of improvement works and maintenance programs for reserves, botanic gardens and other recreation reserves.	In progress and on-going. Officers have implemented an interim structure in the Parks and Open Space Department to better utilise the team for maintenance and improvement works in reserves throughout the Shire.
2.2	Implement improvements in accordance with agreed programs and masterplans to reserves, botanic gardens and other recreation reserves.	In progress and on-going. Project underway for the completion of the Wombat Hill Botanic Garden entry as identified in the Wombat Hill Botanic Garden Masterplan.
2.3	Improve tree management including risk mitigation works and a proactive program of tree maintenance to improve longevity, safety, amenity and canopy coverage.	In progress and on-going. Completed tree risk mitigation audits of Park Lake and Quarry Street Reserves. Other tree risk works were completed at Lake Daylesford and Victoria Park Daylesford.
2.4	Implement an annual street tree planting program to improve township amenity and street tree canopy coverage.	In progress and on-going. Street tree plantings were carried out in Main Road in Hepburn and Jamieson Street in Daylesford. Council will look to adopt a Tree Management program in 2019/2020 which will include a detailed 5-year planting program for the Shire.

Major Budget Initiatives

Major Initiative	Result
Annual asset renewal program including road reconstruction, buildings, fleet and equipment, road reseal, gravel road resheet, bridges, playgrounds and footpaths (\$4,475,735)	Completed and on-going. Annual capital works program equated to \$10.4 million of works completed, including \$5.1 million of infrastructure works.
East Street Road Lowering Under Railway Bridge (\$200,000)	In progress. The contract for works has been awarded. Works are proposed to commence by September 2019.
Enhanced Drainage Maintenance Program (\$718,184)	Completed. Various capital works on drainage assets of \$287,000 and maintenance works of \$570,000 were carried out in 2018/19.
Construction of Hepburn Netball Facility (\$390,350)	Completed. The Hepburn Netball Changerooms was completed and opened during the year. It was under budget and has been utilised for the 2019 netball season.

PERFORMANCE

ACTIVE & ENGAGED COMMUNITIES

3. Support the strength and resilience of the community through delivering actions in areas such as Youth, Libraries, Early Years, Community Planning, Art and Culture, Events and Community Grants. Monitor emerging social issues impacting the community and demonstrate leadership in advocating to government and other agencies to support the community.

Number	Action	Result
3.1	Implement Youth Strategy actions focusing on youth engagement, activating spaces and events.	In progress and on-going. Various project and activities were delivered during the year including school holidays activities, skate park clinics, after school programs and activities, the Western Bulldogs Leadership project, quick response youth grants and the FReeZa program.
3.2	Support the development of a Shire-wide Youth Trainee Scheme and establish a Social Enterprise to support young people to develop careers in the Shire.	In progress. Development of a shire-wide Youth Trainee Scheme is scheduled for later years of the Council Plan. The Hepburn Hub will include a social enterprise café with a focus on youth. A number of planning meetings with key stakeholders have been undertaken.
3.3	Review Community Planning Strategy and Policy and implement actions to support communities to deliver their priorities.	In progress. Council has employed a full-time Community Development Officer, with the key role of developing the Community Planning Strategy. A review of the strategy has commenced with findings to be presented to Council in early 2019/20.
3.4	Continue to provide community grants to support community projects, events and initiatives.	Completed and on-going. Council delivered a community grants program during 2018/19 of \$62,000; and has budgeted to continue this in 2019/20.
3.5	Deliver a broad range of library programs to involve a cross-section of the community to improve literacy and access to information.	Completed and on-going. Council has continued to manage four Libraries throughout our Shire – Clunes, Creswick, Daylesford and Trentham.
3.6	Support the development and delivery of early years services including kindergartens, pre-schools and child-care to meet demand.	In progress and on-going. Council continues to support the service providers. Trentham Kindergarten underwent a significant renewal with planning for construction of an Integrated Childcare Facility in Trentham to open in 2019/20. Council has commenced planning for the introduction of 3-year old kindergarten in the Shire in 2021.

Number	Action	Result
3.7	Develop and commit to a statement of intent for supporting White Ribbon, raising awareness for and reducing instances of domestic violence.	In progress. Council operates a Hepburn Shire White Ribbon Committee. The goal of the Committee is ending violence against women in all its forms. Various activities have been undertaken during the year, including providing support to sporting clubs to conduct a White Ribbon event.
3.8	Implement a program of delivering Communities of Respect and Equality training for Council staff.	In progress. Council has begun delivering the Women's Health Grampians Act@Work program within the organisation, which address four important environments that influence a respectful and equitable workplace - leadership and commitment, organisational culture, corporate policies and procedures, programs and services.
3.9	Implement Reconciliation Action Plan (RAP) actions.	In progress and on-going. A number of actions from the RAP have been delivered, including organising events to recognise and celebrate National Reconciliation Week, developing an internal RAP Action Group, the Grounded In Truth tour and employment of an Arts, Culture and Reconciliation Officer.
3.10	Develop and implement a Cultural Strategy to set the future direction for art, culture and museums, in order to nurture and expand cultural experiences in the Shire.	In progress. Council has employed an Arts, Culture and Reconciliation Officer with the responsibility to facilitate community participation and to develop and support the creative industry and communities throughout the Shire.

4. Improve community amenity and accessibility in all public places, through effective local laws review and enforcement, implementation of Access and Inclusion Plan actions and monitoring property owner's compliance with the planning scheme and heritage requirements.

Number	Action	Result
4.1	Review and update Local Law #2 – Community Amenity.	In progress. Council is currently reviewing its General Local Law No. 2 – Community Amenity and Municipal Places and designated dog areas to ensure they are relevant to and reflect the expectations of the community, with the review to be finalised in 2019/20.
4.2	Review and update the Domestic Animal Management Plan with better provisions for animal owner responsibilities.	Complete. The Domestic Animal Management Plan was adopted by Council in November 2017.
4.3	Implement Hepburn Shire Disability Access and Inclusion Plan (DAIP) actions.	In progress and on-going. Actions from the DAIP continue to be implemented, including providing regular disability awareness training sessions for all staff and Councillors, developing an Accessible Events Guide and the facilitating Disability Advisory Committee meetings.
4.4	Implement revised car parking inspection schedules to increase compliance with parking restrictions Shire-wide.	In progress and on-going. Inspection process and schedules are on-going across the Shire, including key locations such as markets.
4.5	Implement revised inspection programs for footpaths and street obstructions in town centres.	Not started. Inspection process and schedules are on-going.
4.6	Implement and updated Planning Scheme compliance process for heritage listed streetscapes and buildings.	Not started. Reviewing the current Planning Scheme is underway, with contractors appointed to assist and the work to be completed in late 2020.

5. Take action to encourage improved health and wellbeing of residents and to reduce the risks associated with obesity and poor nutrition. This includes the provision, development and promotion of passive and active recreation facilities and options, and working with clubs and other agencies on planning for future developments and encouraging increased activity.

Number	Action	Result
5.1	Develop plans and seek funding to construct priority projects from the Recreation Master Plans and the Walking and Cycling Strategy, and develop new Master Plans to guide future investment.	In progress and on-going. Work is underway on the development of the Glenlyon and Trentham Recreation Reserve Masterplans. They are expected to be adopted in 2019/20. The construction of female friendly netball change rooms at both Hepburn and Trentham Recreation Reserves were examples of projects where funding was received, and projects successfully completed.
5.2	Continue to activate existing swimming pools and strengthen their role as a community resource, including responding to recommendations from the Creswick swimming facility review.	In progress and on-going. Unfortunately, the number of visitors to the aquatic facilities was down in for the summer 2018/19 season. This was acknowledged by Council and an additional \$100,000 of funds has been allocated to maintenance, marketing of the pools and training of lifeguards in the 2019/20 season.
5.3	Activate recreation facilities in conjunction with clubs and committees of management, while clearly understanding each other's roles.	In progress. Council has funded a Recreation Management Model project, which is expected to be completed in 2019/20. The project objective is to identify and clearly define the roles and responsibilities of Council, local clubs, community groups and committees of management at our recreation facilities when it comes to maintenance, development and community.
5.4	Promote the range of recreation options available in the Shire to increase participation in active recreation and reduce the risks associated with obesity.	In progress and on-going. Council partnered with state sporting associations, key community organisations and clubs to implement social and modified programs and to promote existing activities throughout the state-wide Premiers Active April campaign. Programs included (but were not limited too) Rock Up Netball, Youth Stand Up Paddle-boarding, yoga, circus and Pilates classes. Through adopting this partnership approach, the number of female registrants within the state-wide campaign increased from the 2018 campaign by 10%. VicHealth Walk to School was coordinated by officers. A total of 440 students took part in the program in 2018, totaling 5044 recorded walks.
5.5	Promote the opportunities for female participation in sport and recreation in partnership with community groups.	In progress and on-going. Council adopted the Shire's first Active Women and Girls Strategy in May 2019, which aims to promote a healthy lifestyle, reduce social isolation and increase female participation in structured and unstructured physical activity.

Number	Action	Result
5.6	Deliver Maternal & Child Health (MCH) services that are accessible and encourage uptake by all.	In progress and on-going. The service has been contracted to Hepburn Health Service, with 77% of children attending at least one MCH service during the year.
5.7	Facilitate the delivery of immunisations to protect the community from preventable diseases.	In progress and on-going. Immunisation services continue to be encouraged and delivered. Results were positive during the year, including in the April to June 2019 quarter where Cohort 1 (100%) and Cohort 2 (94.4%) were above the state. Cohort 3 data (87.5%) was below the state average.
5.8	Implement improvements to our program of registrations, inspections and complaints management for food and health premises to reduce the risks to the community.	In progress and on-going. Improvements to Council practices have been implemented, increasing the number of assessments conducted (up from 9.6% to 92.4%).
5.9	Implement the Hepburn Shire Council Domestic Wastewater Management Plan.	In progress. A number of action items within the plan have been completed, including approximately 800 properties with onsite wastewater treatment systems, receiving an audit.

6. Work with the federal and state governments during the 2019 transition of Aged Care Services to support to community to continue to receive high quality Aged & Disability services into the future. Deliver all Council services efficiently, while achieving high quality.

Number	Action	Result
6.1	Deliver in-home and centre-based aged care services, according to program targets.	In progress and on-going. Services continue to be delivered (although below current targets) as a number of programs have been amended to reflect changes by State and Commonwealth funding.
6.2	Confirm the future delivery model for in-home and centre-based aged care services to our community.	In progress and on-going. Council has engaged the services of a contractor to assist officers complete a high-level overview of the proposed reforms and how our Aged and Disability service fits with the proposed changes.

Major Budget Initiatives

Major Initiative	Result
Outdoor Exercise Equipment (\$40,000)	In progress. The Creswick Community Park Outdoor Fitness Space will shortly be completed and will offer a range of cardio, strength, flexibility and mobility exercise opportunities through a mix of dynamic and static equipment, including a leg press, wheelchair friendly hand cycle, box jumps and pull up bars.
Implementation of the Youth Strategy Activation (\$55,300)	In progress and on-going. Various project and activities were delivered during the year, including school holiday programs, skate park and after school programs, the Western Bulldogs Leadership project, quick response youth grants and the FReeZa program.
Newlyn Netball Court Run Off	In progress. A contract has been entered into, with works to commence shortly and be completed late 2019.

PERFORMANCE SUSTAINABLE ENVIRONMENT

7. Minimise waste to landfill and implement additional options for recycling. Demonstrate leadership and support the community to reduce waste creation.

Number	Action	Result
7.1	Identify and extract more value-added recycling streams out of waste at Council's transfer stations to reduce waste to landfill.	In progress. Cardboard separation bins now available at all transfer stations. Glass separation at Creswick and Trentham transfer stations is being introduced, along with processing of some hard plastics.
7.2	Implement new ways to effectively reuse green waste at transfer stations through new markets or new technologies.	In progress. The Parks and Gardens team are identifying areas where mulch can be used. Residents are being encouraged through social media to pick up mulch for free for garden use.
7.3	Meet requirements for closed landfills, including monitoring and responding to increased obligations through legislative changes.	In progress. Work is continuing to monitor, manage and report on closed landfills in the Shire.
7.4	Develop a policy that includes controls on sale or use of disposable plastic items and bags on Council owned and managed land.	Not started. Council has received initial input from the community on a single-use plastics policy. A broader engagement process will be carried out in 2019, prior to finalising the policy.

8. Respond to climate change through the reduction of energy use, emissions and other resource use, and helping the community to adapt to the impacts of increased floods and fires. Undertake fire and flood risk reduction works across Council managed facilities and roads, in collaboration with other agencies and landowners to reduce fire risk to our communities.

Number	Action	Result
8.1	Implement Towards Zero Emissions Roadmap Action Plan including renewable energy generation and reducing Council's consumption.	In progress and on-going. Council continues to address its carbon footprint through numerous actions including lighting, appliance and efficiency upgrades, and transitioning to electric vehicles.
8.2	Support the community to develop and implement a 100% Community Renewable Stationary Energy Plan.	In progress and on-going. Council worked with community groups throughout 2018/19 to develop the Zero Net Emission Transition (Z-NET) Hepburn Shire project, which is a plan to reach zero net emissions in the Hepburn Shire by 2030. Council will continue to work with the community over the coming years to continue the implementation of this plan.
8.3	Implement water efficiency and water saving measures at recreation ovals, gardens and buildings, and support the community to progress the Trentham water security project. **GOVERNANCE,
MANAGEMENT
& OTHER
INFORMATION**

GOVERNANCE

Hepburn Shire Council is constituted under the Local Government Act 1989 to provide leadership for the good governance of the municipal district and the local community.

Council has a number of roles including:

- Taking into account the diverse needs of the local community in decision-making
- Providing leadership by establishing strategic objectives and monitoring achievements
- Ensuring that resources are managed in a responsible and accountable manner
- Advocating the interests of the local community to other communities and governments
- Fostering community cohesion and encouraging active participation in civic life.

Council is committed to effective and sustainable forms of democratic and corporate governance as the key to ensuring that we meet the community's needs. The community has many opportunities to provide input into Council's decision-making processes, including community consultation sessions and public forums (such as ward meetings and public participation provisions within each ordinary meeting of Council).

Council's formal decision-making processes are conducted through Council meetings and Special Committees of Council. Council delegates the majority of its decision-making to Council staff. These delegations are exercised in accordance with adopted Council policies.

Best Value

In accordance with the Local Government Act 1989, Councils are required to take into account Best Value principles to ensure that services:

- Meet quality and cost standards
- Are responsive to the needs of the community
- Are accessible to those members of the community who the service is intended
- Achieve continuous improvement in the provision of services
- Include consultation with the community in relation to the services it provides
- Regularly report on their performance to the community.

Hepburn Shire Council incorporates Best Value Principles through regular business planning and performance monitoring processes and through a commitment to continuous improvement.

Council meetings

Council conducts open public meetings on the third Tuesday of each month, which are held at various locations throughout the Shire. Councillors are also briefed on relevant issues during informal sessions.

Members of the community are welcome to attend Council meetings and observe from the gallery. Council meetings also provide the opportunity for community members to submit questions to the Council, or ask to address Council regarding an item.

For the 2018/19 year, Council held the following meetings:

- 12 ordinary council meetings
- 3 special council meetings

The following table provides a summary of Councillor attendance at council meetings and special council meetings for the 2018/19 financial year.

Disability Advisory
Committee (DAC)

The DAC will collaborate with Council to ensure that there is a proactive, two-way conversation and advice about how to effectively implement the actions in the Disability Access and Inclusion Plan and address other access issues as they arise.

The DAC will also act as Council's disability representatives in the community to seek broader views on access issues and develop proactive solutions to effectively address access issues as they arise.

Hepburn White
Ribbon Committee

The Hepburn White Ribbon Committee (HWRC) was established in 2016 to join the International White Ribbon Day (WRD) campaign to eliminate violence against women in our society. HWRC works with all sectors of the community to create social awareness and cultural change around the issue of violence against women.

Code of Conduct

*The Local
Government Act
1989 requires
Council to develop
and approve a
Councillor Code of
Conduct within 12
months after each
general election.*

On 07 February 2017, Council adopted a revised Councillor Code of Conduct which is designed to:

- Assist Councillors to maintain the highest standards of conduct and behaviour as well as provide a means to deal with problems they may encounter
- Attract the highest level of confidence from Council's stakeholders
- Assist the Mayor and Councillors to discharge the responsibilities of their public office appropriately

In addition to setting out the Councillor Conduct Principles, the code also outlines:

- Other conduct definitions under the Act, such as those relating to misuse of position, improper direction, breach of confidentiality and conflict of interest
- Roles and relationships
- Dispute resolution procedures

Conflict of Interest

Councillors are elected by the residents and ratepayers to act in the best interests of the community.

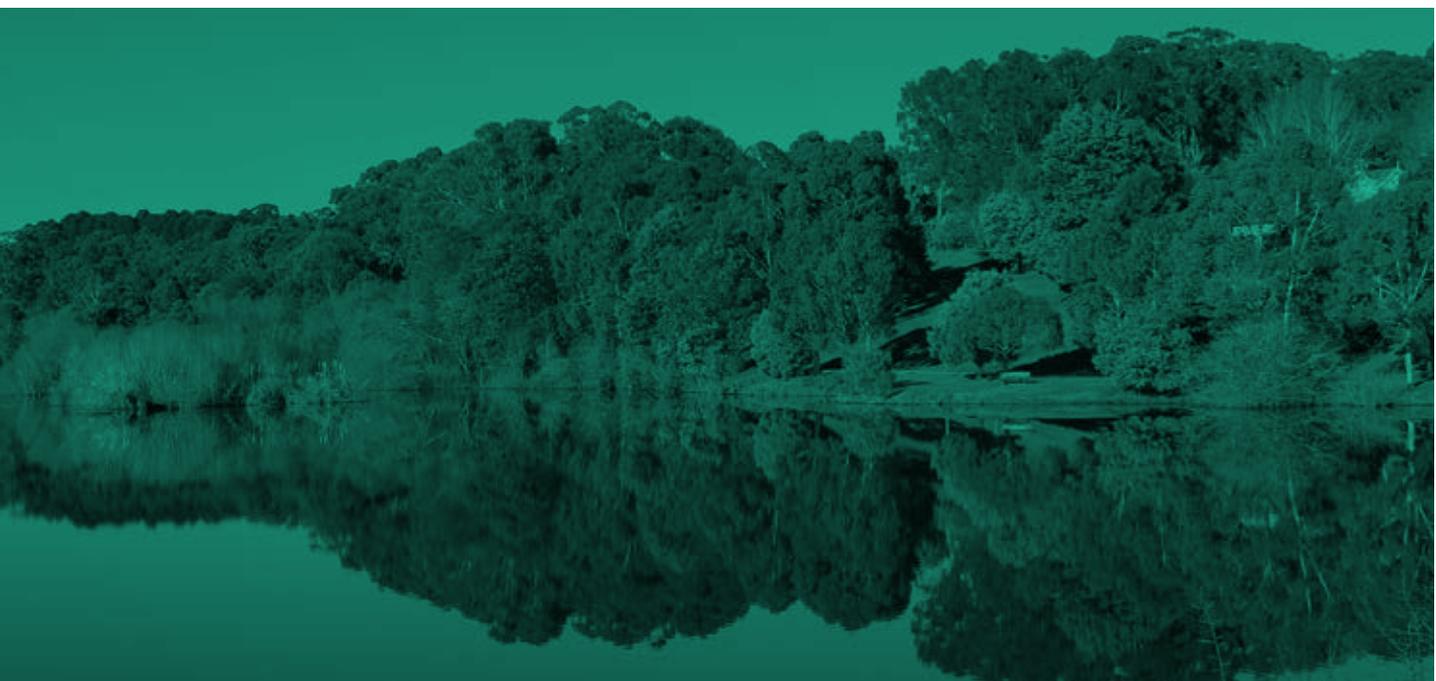

This is a position of trust that requires Councillors to act in the public interest. When a council delegates its powers to a council officer or a committee, the committee or officer also needs to act in the public interest.

A conflict of interest occurs when a personal or private interest might compromise the ability to act in the public interest. A conflict of interest exists even if no improper act results from it.

Council has a comprehensive procedure in place to accommodate

the disclosure of a conflict of interest. Declaration of a conflict of interest is a standard agenda item for all Council and Committee meetings.

While the procedures vary depending on the particular role and circumstances, in general, they involve disclosing the relevant interests in a specific way and then stepping aside from the relevant decision-making process or from exercising their public duty. A register is maintained to record disclosed conflicts of interest. During 2018/19, eleven conflicts of interest were declared at Council meetings.

Councillor Allowances

In accordance with Section 74 of the Local Government Act 1989, Councillors are entitled to receive an allowance while performing their duty as a Councillor. The Mayor is also entitled to receive a higher allowance.

In accordance with Section 74 of the Local Government Act 1989, Councillors are entitled to receive an allowance while performing their duty as a Councillor. The Mayor is also entitled to receive a higher allowance.

The State Government sets the upper and lower limits for all allowances paid to Councillors and Mayors. Councils are divided into three categories based on the income and population of the municipality. Hepburn Shire Council is recognised as a category 1 council.

For the period 1 July 2018 to 30 November 2018, the Councillor annual allowance for a category 1 council

(as defined by the Local Government Act 1989) was fixed at \$20,231 per annum and the allowance for the Mayor was \$60,442 per annum. The Minister for Local Government approved an annual adjustment to take effect as from 1 December 2018.

The annual allowances were adjusted for the period 1 December 2018 to 30 June 2018 at \$20,636 per annum for the Councillor allowance and \$61,651 per annum for the Mayoral allowance. An amount equivalent to the superannuation guarantee under Commonwealth taxation legislation (currently 9.5 per cent) is payable in addition to these amounts.

The following table contains a summary of the allowances paid to each Councillor during the year.

Councillor Expenses

In accordance with Section 75 of the Local Government Act 1989, Council is required to reimburse a Councillor for expenses incurred whilst performing his or her duties as a Councillor. Council is also required to adopt and maintain a policy in relation to the reimbursement of expenses for Councillors.

The policy provides guidance for the payment of reimbursements of expenses and the provision of resources, facilities and other support to the Mayor and Councillors to enable them to discharge their duties.

Council also publishes in its Annual Report the details of the expenses, including reimbursement of expenses for each Councillor and member of a Council Committee paid by the Council. The details of the expenses for the 2018/19 year are set out in the following table.

MANAGEMENT

Council has implemented a number of statutory and better practice items to strengthen its management framework.

Having strong governance and management frameworks leads to better decision making by Council.

The Local Government Act requires Council to undertake an assessment against the prescribed governance and management checklist and include this in its report of operations.

Council's Governance and Management Checklist results are set out in the section below. The following items have been highlighted as important components of the management framework.

Audit & Risk Advisory Committee

The Audit and Risk Advisory Committee's role is to oversee and monitor the effectiveness of Council in carrying out its responsibilities for accountable financial management, good corporate governance, maintaining an effective system of internal control and risk management and fostering an ethical environment.

Independent Members:

- Ms Carol Pagnon
- Mr Robert Taylor
- Ms Rachelle Tippett
- Mr Trevor Shard

Councillor Members:

- Cr Don Henderson
- Cr John Cottrell

Attendance at Committee Meeting:

1 July 2018 – 30 June 2019

Attendee	Meeting
Carol Pagnon	4 of 4
Robert Taylor	3 of 4
Rachelle Tippett	3 of 4
Trevor Shard	4 of 4
Cr Don Henderson	3 of 4
Cr John Cottrell	4 of 4

At these meetings the committee considers the following agenda items:

- Review of key risks and controls
- Summary of monthly finance reports
- Summary of monthly management reports
- Mid-year budget review
- Annual budget review
- Review of councillor expenses
- Internal audit reports issued
- External audit reports and management letters
- Review of compliance obligations
- Progress on internal and external audit recommendations
- Policy and procedure review
- Hepburn Hub Project Update
- Trentham Hub Project Update

Internal Audit Reviews

Council's internal audit function provides independent and objective assurance that the appropriate processes and controls are in place. Internal audits are resourced by an external provider. A risk based three-year Internal Audit Plan is revised annually to ensure the audit resources remain focused on the appropriate areas.

The review process considers Council's risk framework, the Council Plan, the impact of any change on operations, systems or the business environment; prior audit coverage and outcomes and management input. The Internal Audit Plan is reviewed and approved by the Audit Committee annually.

The Internal Auditor attends each Audit and Risk Advisory Committee meeting to report on the status of the Internal Audit Plan, to provide an update on the implementation of audit recommendations and to present findings of completed reviews. All audit issues identified are risk rated. Recommendations are assigned to the responsible manager and tracked in Council's performance management system.

Internal Audit reviews conducted in 2018/19:

- HLB Mann Judd
Review Payroll (including data analytics)
- HLB Mann Judd
Review of Budget Management and Delivery
- HLB Mann Judd
Review of Risk Management Framework
(with specific focus on ISO Standards Follow-Up & Survey)
- HLB Mann Judd
Follow-Up Review

Risk Management

In July 2013, Council adopted its Risk Management Strategic Framework and Policy in line with current best practice in the management of business enterprise risks and current AS/NZS 31000 guidelines.

The Risk Management Framework and Policy addresses items such as:

- Risk management culture and branding
- Communication and training
- Best practice in risk management
- Development and implementation of action plans for all high and urgent rated risks
- Responsibilities of and to internal and external stakeholders
- Risk registers and risk management software implementation
- The Council planning cycle, budget cycle and annual audit cycle
- A performance measurement system to determine the effectiveness of the framework

The Risk Management Strategic Framework and Policy is due to be updated in late 2019.

THE SUMMARY OF THE FINANCIAL REPORT

Overview

- A surplus of \$4.6 million (2017/18; \$3.1 million) against an original budget of \$3.6 million. The surplus includes recurrent operating grants relating to the next financial year of \$2.4 million (2017/18: \$2.3 million) and capital grants of \$3.7 million received during the year (2017/18; \$3.5 million).
- A net asset revaluation increment (non-cash) of \$13.1 million (2017/18; \$13.7 million)
- Revenue of \$35.0 million (2017/18; \$32.8 million) with 59% coming from rates and charges (2017/18; 59%)
- Operating expenditure of \$30.4 million (2017/18; \$29.7 million), with 41% attributable to employee costs (2017/18; 41%) and 33% attributable to materials and services (2017/18; 32%)
- \$261.0 million in capital assets (at written down value), providing community facilities, roads, bridges and other infrastructure (2017/18; \$246.8 million)
- Cash and other financial assets of \$18.9 million (2017/18; \$16.3 million), which after excluding external restrictions and internal allocations, provides revised cash and cash equivalents of \$3.7 million (2017/18; \$4.6 million)
- \$4.4 million in loans and borrowings (2017/18; \$4.9 million).

Income

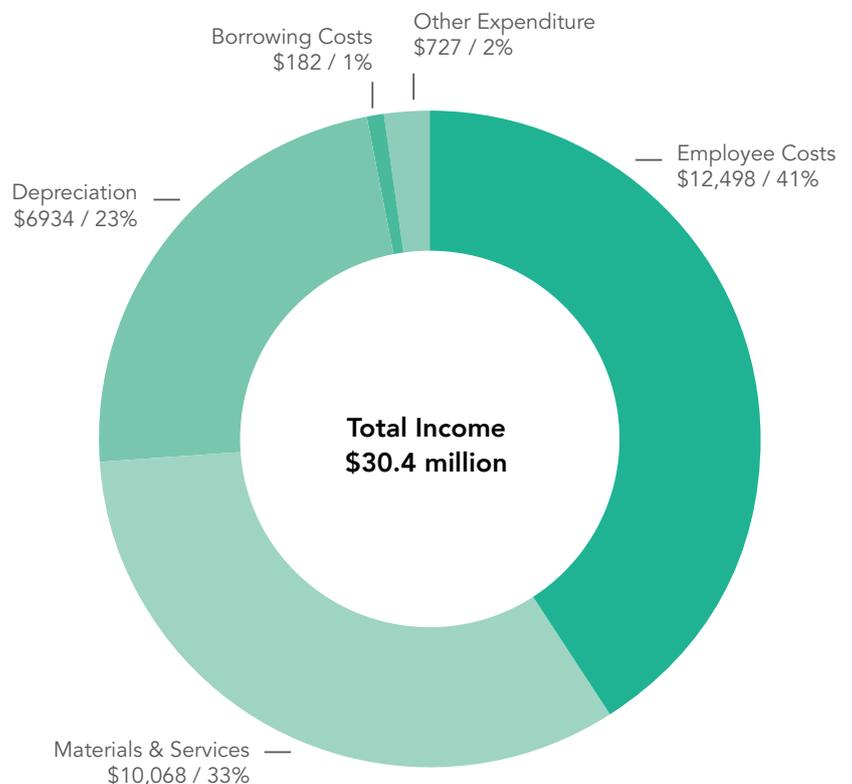

Total income for the financial year was \$35 million (2017/18; \$32.8 million). This included \$3.7 million of capital grants (2017/18; \$3.5 million)

Expenses

Council incurred a total of \$30.4 million in expenditure in the 2018/19 financial year (2017/18; \$29.7 million)

As a service-based entity, Council's main costs are employee costs. Employee costs for 2018/19 were \$12.5 million or 41% of total expenses (2017/18; \$12.0 million or 41%). Materials and services for 2018/19 were \$10.1 million or 33% of total expenses (2017/18; \$9.6 million or 32%).

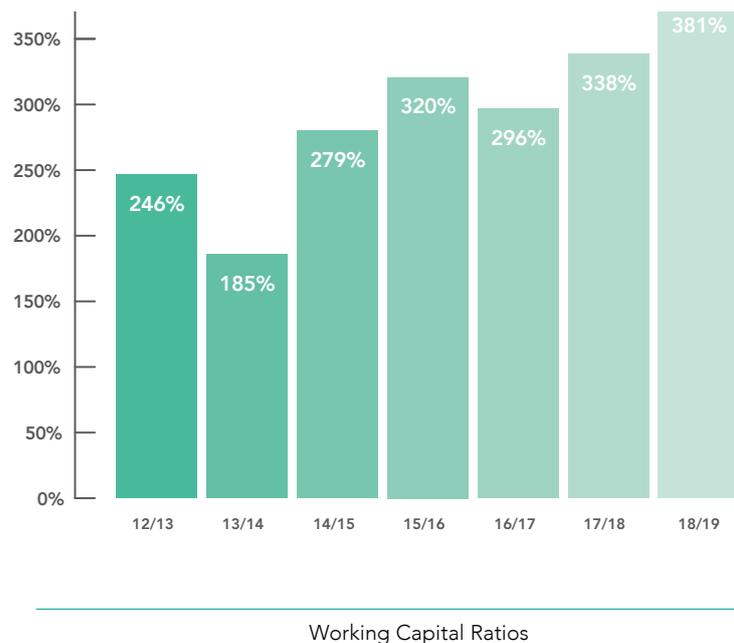

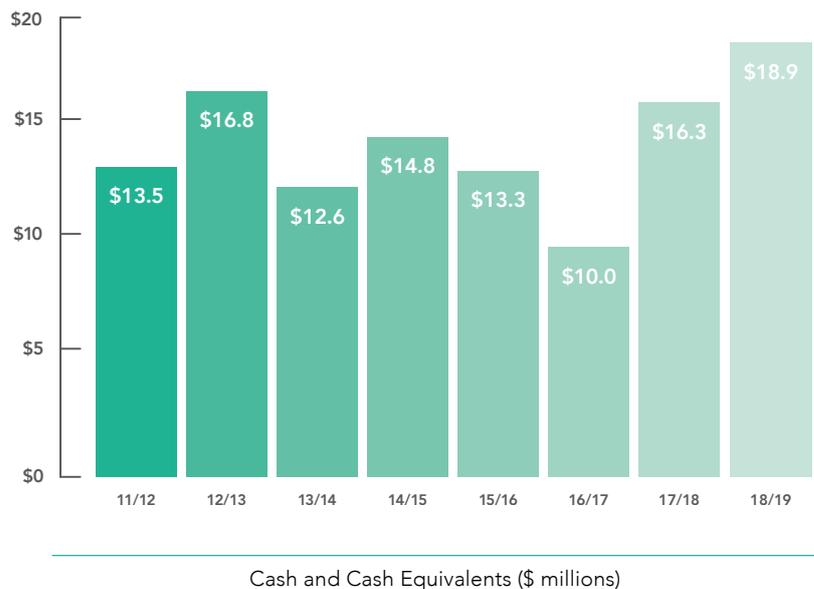

FINANCIAL STRENGTH

Council's major assets comprise cash and property, infrastructure, plant and equipment. Detailed information is provided in Council's Financial Report and Performance Statement.

Cash

Council's cash, cash equivalents and other financial assets increased \$2.6 million to \$18.9 million at 30 June 2019 (2017/18; \$16.3 million). Council's cash and cash equivalents are subject to external restrictions and internal allocations that limit the amounts available for discretionary use. External restrictions total \$2.06 million (2017/18; \$2.0 million) while intended internal allocations amount to \$13.1 million (2017/18; \$9.8 million). This provides Council with \$3.7 million (2017/18; \$4.6 million) available cash not subject to restrictions.

At 30 June 2019 Council's working capital ratio, which represents Council's current assets as a percentage of current liabilities, was 381% up from 338% at 30 June 2018. Council's ratio would have been 342% at the 30 June 2019 if the \$2.4 million of 2019/20 grants was not paid early by the Commonwealth Government.

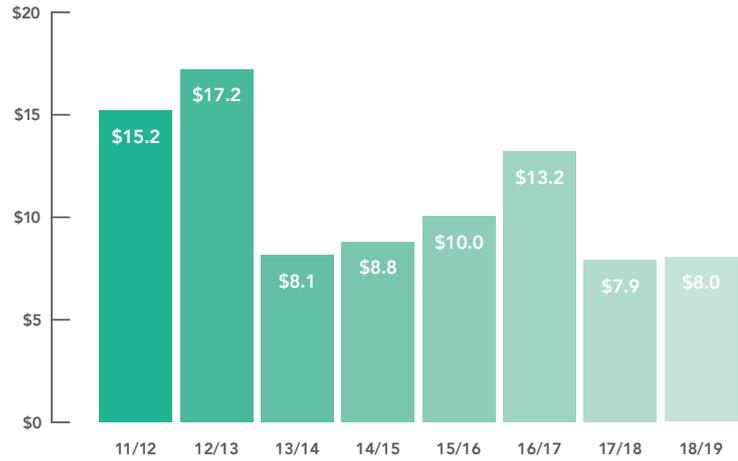

Capital Works

Of the \$8.0 million capital expenditure (\$7.9m 68% in 2017/18), 78% was spent on renewal of assets (2017/18, 68%). Renewal of assets as opposed to building new assets or upgrading assets is an important focus of Council as it works towards reducing the infrastructure gap.

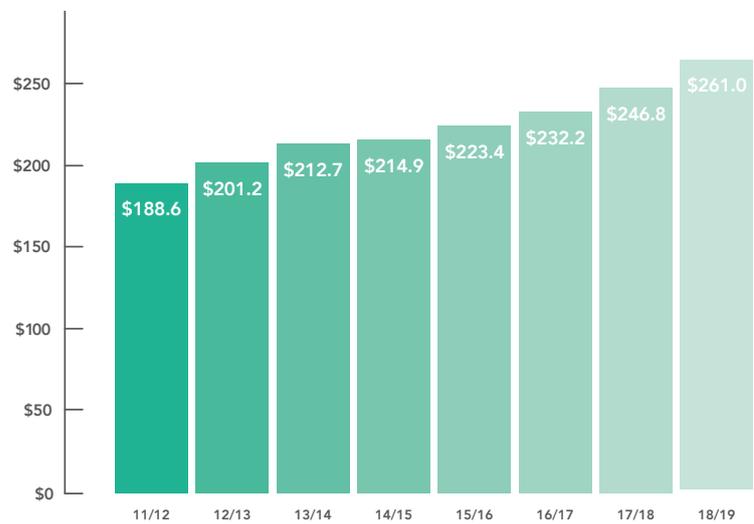

Council's capital assets provide community facilities, roads, bridges and other infrastructure that are important to the everyday functioning of our community. The written down value of these assets continues to increase over time.

Liabilities

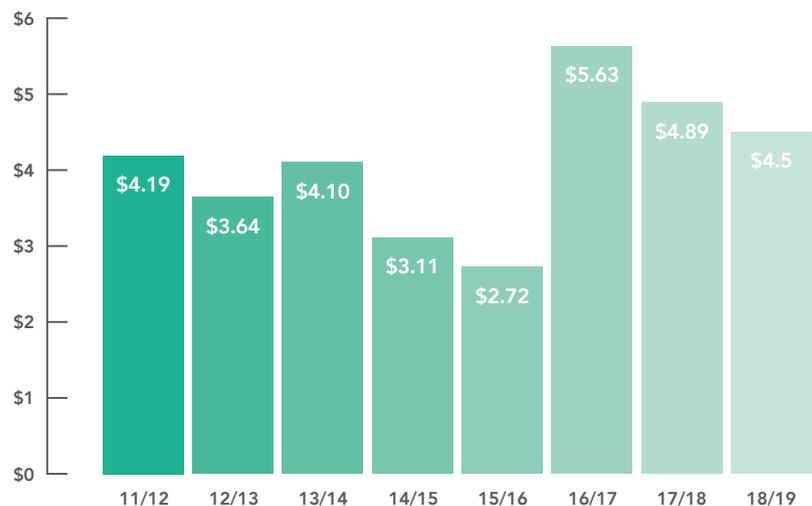

Council's liabilities comprise of loans, amounts owed to suppliers and amounts owed to employees for leave entitlements. The total balance of loan borrowings at the end of the 2018/19 financial year is \$4.4 million (2017/18; \$4.9 million).

Capital Works (\$ Millions)

Council's Property, Infrastructure, Plant and Equipment (\$ Millions)

Balance of Loan Borrowings (\$ Millions)

STATUTORY INFORMATION

The following information is provided in accordance with legislative and other requirements applying to Council appointments, which attracted 1098 applications. Our permanent employee turnover rate (resignations) for 2018/19 was 9.05%, which is lower than the previous year of 12.84%.
