## NEW TRENTHAM EARLY YEARS SERVICE STARTING

The Trentham Early Learning Centre is open with new services commencing yesterday.

New to the centre is occasional care (0 to 6 years old) open Wednesdays and Fridays (9am to 4pm) and after kindergarten care (3 to 4 years old) Mon-Friday (2-4pm). The centre will continue to run its current program of kindergarten for 3 to 4 years old (9am-2pm).

Offering this occasional and after kindergarten care compliments Hepburn Shire being part of the State Government's early roll out of three-year-old kindergarten.

Mayor, Cr Lesley Hewitt said that was just the beginning for the centre.

"We're hopeful that strong support from the community for the new services will lead to a greater span of hours."

"Council has partnered with Government and committed more than \$1 million to upgrading kindergartens across the Shire, including in Trentham, to improve access, the learning environment and heating and cooling," said Cr Hewitt.

For details and bookings contact our service provider ECKA on 5339 5055 or at <https://ecka.org.au/>
