Put your recycling bin (yellow lid) out on the faded colour week.

The red lid bin for landfill (general waste), goes out fortnightly on the alternating week (bright colour).

Place your bin out the night before collection day, with the correct placement.

Correct bin placement

- One metre off the road, well clear of traffic
- Bin opening facing the road, with wheels and handle facing your house
- Clear of low overhanging branches or powerlines
- Bin lid properly closed and not overfull
- Bins more than 50cm apart from one another
