

BUSINESS BREAKFAST

THURSDAY 30 NOV

8.00 – 9.30am

Creswick Neighbourhood Centre
19 Victoria St, Creswick

What does it mean to go circular?

Join us for an inspirational morning of food and food-for-thought as we explore what the Circular Economy means for Hepburn Shire and your business.

This event will be our introduction to the Hepburn Shire Circular Economy Business Toolkit, currently in its final stages of development. As an attendee you will be invited to be amongst the first to trial the Beta version of toolkit when it is released later this year.

We'll also share stories of local Circular Economy champions & projects and reveal how circular business opportunities can improve your bottom line.
