

# Subsidised compost bins available now

Hepburn Shire is offering residents subsidised compost bins to help you reduce waste to landfill by turning food scraps and garden waste into compost.

Available from Friday 1 September

**170L Roto Tumbler**  
**\$75**

**220L Composter**  
**\$25**

The compost bins are made from 100% recycled plastic.

Limited numbers available.  
Proof of residency required.  
Only one bin per household.

Available at the Daylesford,  
Creswick and Trentham  
Transfer Stations.

Residents who  
purchase a  
composter will  
receive a free  
compost  
conditioner.
