BOND

Council may determine that due to the high risk of damage or reinstatement requirements for Council infrastructure that a bond will be required. The applicant will be notified by council upon application if a bond will be necessary and the amount required. If council is not satisfied with the reinstatement/ condition of the infrastructure the applicant's bond will be forfeited.

CONSULTATION

Have you consulted with adjoining property owner(s)/occupier(s) and/or affected members of the community Yes No

Date consulted: / / 20

Is access affected

Yes No

Mitigation Plan:

DECLARATION

I declare that I am the applicant; and that all information I have supplied in this application is true and correct.

I accept and undertake to comply with the conditions specified on the permit and I will pay, on demand, any sum necessary to make up the full cost of restoration for any damage caused by works should they not be satisfactorily completed within the required time frame. I agree to inspect the site and report on any existing damage to Council prior to commencing work. I will be liable to pay full restoration costs, should I fail to report such damage.

I accept if council have determined that damage caused by works and/or unsatisfactory reinstatement of infrastructure; has occurred any bond payed will be forfeited to Hepburn Shire Council for satisfactory restoration/reinstatement.

I agree that I am responsible for the safeguarding of the public against injury and for maintaining the site during the existence of the work in a safe condition at all times.

If for some reason the work cannot be undertaken on the day of approval, I undertake to contact Council on that day to advise. Otherwise a new permit will need to be applied for if the work is rescheduled.

I understand and accept that all fees are non-refundable.

By signing this application, I agree that I have read, understood and accept the conditions. I accept that all these conditions must be complied with.
