

2026 Fire Prevention Works Contractors

The contractors listed below have requested to be included on this list. Each contractor has provided information about the services they offer. However, Council has not vetted or verified the information supplied. Inclusion on this list does not constitute an endorsement, approval or recommendation by Council of any contractor or their services.

Property owners are responsible for making their own enquiries and satisfying themselves that any contractor they engage is appropriately qualified, suitably insured and suitable for their needs.
