## ANNUAL PLAN 2019/2020 ADOPTED

At the Council meeting this evening in Clunes, Council adopted the Annual Plan 2019/2020.

The Annual Plan has been created to link the goals of the Council Plan with our overall planning and reporting framework.

Mayor, Cr Don Henderson, said that the Annual Plan is another commitment to our community that our Council is working to achieve certain priorities and actions over the coming year.

"We have a vision of 'Our Council', where we want the community to feel a sense of pride in our organisation based on the excellent work that we do."

"The Annual Plan compliments the Budget and Council Plan and gives us a focus for the next 12 months. It also ensures that actions in the Annual Plan are monitored and reported on a quarterly basis, giving the community the confidence that we are getting things done," said Cr Henderson.

The Annual Plan does not include all projects but a selection of priority projects and initiatives. It has been developed using the same pillars as the Council Plan 2017/2021 – Quality Community Infrastructure, Active & Engaged Communities, Sustainable Environment, Vibrant Economy and High Performing Organisation.
