## ANNUAL FINANCIAL AND PERFORMANCE STATEMENTS

At this week's meeting, Council approved the Annual Financial and Performance Statements for the year ended 30 June 2019.

CEO, Evan King, said that the Victorian Auditor-General's Office will issue a clean and unqualified audit opinion which means our statements are correct.

The Local Government Performance Reporting ensures that councils are measuring and reporting on their performance in a consistent way to promote transparency and accountability.

"Projects that were budgeted in 2018/19 and not completed have had the funds carried forward into 2019/20 and we are committed to getting these projects completed," said Mr. King.

The Annual Financial and Performance Statements will be published in the Annual Report and will be available on Council's website after it is lodged with the Minister on 30 September 2019.
