BUSINESS NETWORKING NIGHT

Council is hosting a Business Networking Night in Trentham on Wednesday 9 October from 5.30pm to 7pm at local business The Cosmopolitan.

The evening will allow local business owners and operators a chance to meet and network with others in the community and discuss opportunities to collaborate.

Mayor, Cr Don Henderson, said supporting business was a priority for Council.

"This free event provides a relaxed atmosphere where Council and local owners can meet up while also supporting a local business in the township," said Cr Don Henderson.

Coliban Ward Councillor, Cr Licia Kokocinski, said many businesses and traders would welcome the opportunity to discuss areas of mutual interest to them and to also improve communication.

"The region is home to a diverse range of businesses, from our strong agricultural businesses, to our smaller hospitality businesses. I look forward to meeting business owners from different sectors, but also different parts of the region," said Cr Kokocinski.

The event is free and finger food is provided. Drinks are available for purchase at the bar. It is local's night so attendees could follow the networking with dinner where specials are priced at just \$18.

Contact Council's Economic Development & Tourism department for further information on 5321 6122.
