FREE POOL ENTRY FOR THE 2019-20 SEASON

At last night's meeting, Council resolved to waive the entry fee to our Shire pools in Daylesford, Clunes and Trentham for the 2019-20 season.

Mayor, Cr Don Henderson, said the decision to make pool entry free for the 2019-20 season was made for several reasons.

"Pool entry will be free for the season to increase patronage of the swimming pools, provide an improved community service, and most importantly, to promote better health and wellbeing outcomes for our community."

"An important consideration in providing free entry to pools was removing the cost barrier that prevents some families from enjoying these facilities."

"We look forward to a busy pool season, and hope the community take advantage of the free entry, getting active in these important community spaces," said Cr Don Henderson.

Lane hire, swimming lessons, exclusive use bookings and other bookings outside operational hours will still be charged.
