

12 December 2019

COMMUNITY GRANTS ASSESSMENT PANEL NOMINATIONS

The Community Grants Program provides funding annually to community groups and organisations. To ensure independent and impartial assessment of Community Grant applications, a Community Grant Assessment Panel is appointed. Members assess all applications, providing feedback to Council Officers to inform recommendations.

Council is currently calling for Nominations from suitably qualified community members to join the Community Grants Assessment Panel for a term of two years. Panel members will act as advocates/champions in the community for the Community Grants Program. Selection will be based on relevant expertise as described in the selection criteria; geographic representation across the Shire; and diversity of culture, gender and age.

Nominations are open from 4 December 2019 to 15 January 2020. Interested community members can apply online at www.hepburn.vic.gov.au.
