

CLUNES WALKABILITY

PRIORITY PROJECTS

- Improve health and social wellbeing outcomes
- Improve livability and attractiveness
- Increase in tourism and economic development

PROJECT DETAILS

The project aims to improve local walking, cycling and riding (equestrian) for both the local community and visitors to the Clunes township. The project will play a vital future role for both the community and visitors contributing not only to their health and social wellbeing, but also to the town's livability, economic development and tourism. Concept planning is currently underway and will be completed in the first half of the 20/21 financial year.

Funding is needed for the development of detailed plans and the subsequent construction.
