

CROSSING THE DIVIDE - SPA COUNTRY RAILWAY - CONSTRUCTION

PRIORITY PROJECTS

- Enhancing business and creating opportunities for new tourism developments and products
- Accessibility for all sectors of the community
- Promotion and preservation of Victoria's Rail history

PROJECT DETAILS

Crossing the Divide – Corridor Revitalisation Spa Country Railway project will see an extension to the existing tourism product on offer by the Spa Country Railway which operates a vintage train service between Daylesford and Bullarto.

An extended service to Trentham and will include the development of tourist products in Trentham such as walking and cycling trails and introduction of a new 'Spa Country Sleeper' train service. The rail extension would also provide an alternate form of transport for communities along the train lines into Daylesford.
