

DOUG LINDSAY RECREATION RESERVE

PRIORITY PROJECTS

- Community health and wellbeing outcomes
- Significant community facility with multiple user groups
- Enhance the accessibility and safety
- Increase the scope and quality of the active recreation

PROJECT DETAILS

Doug Lindsay Recreation Reserve in Creswick is an active recreation reserve accommodating AFL, Netball, Soccer and Lawn Bowls activities. It also includes informal active recreation use such walking, free ball play and fitness training, and community events.

The project will implement recommendations from the Masterplan which includes landscaping and drainage works, vehicle and pedestrian access, improved passive recreation and opportunities for additional activities such as cricket. Security lighting and CCTV will add to community safety of the 16- hectare facility.
