

# HAMMON PARK TRAIL HEAD COMMUNITY AND YOUTH HUB

## PRIORITY PROJECTS

- Establish trailhead for Creswick Trails
- Identified as a world-class mountain bike and recreational trail destination
- Will be a key regional tourism destination and key economic driver for the region

## PROJECT DETAILS

Creswick is currently being transformed as one of Australia's leading mountain bike trail destinations, through the development of the \$4.2 million Creswick Trails project.

Hammon Park will serve as the main trailhead for the iconic Creswick Mountain Bike Trails development. In its own right, Hammon Park will be developed as a community and youth precinct focusing on accessible play, cycling safety, cyclocross, and site for local, regional and national events. The project will also increase accessibility through a Changing Places facility located on site.
